

Warm Welcomes to You,

We are Kevin and Jackie and we long to welcome a child into our home. We have been married for 13 years and we have waited patiently for the Lord to bless us with a little one. God's plan has not been the natural way for us so we've embraced adoption.

Adoption can be the most beautiful, precious gift ever given or received.

We have been on this journey to be parents for a long time. We are ready to provide a safe and nurturing home, with home cooked meals, a focus on education, fun and traditions on holidays, a kid-friendly neighborhood, and the pure job of spending time together as a family.

As our hope burns brightly for our one-day miracle, may God bless you in your decision and during your journey.

Future Adoptive Parents,

*Kevin & Jackie*
