

# FRIEND,

H E L L O !   W E ' R E   C H R I S   A N D   N A T A L I E .

And we want to begin by saying thank you from the bottom of our hearts for taking the time to learn more about us. We feel deeply honored that you've picked up our profile and are reading this letter as you consider the options for both you and your child.

Our family right now is small but mighty, made up of just us and our beloved pets — *Nyx the Boxer, Dutch the Corgi, and Iso the cat*. We've dreamed of becoming parents for a long time, and after a great deal of reflection, we believe adoption is the path meant for us.

While we can't pretend to fully understand everything you might be feeling right now, we want you to know how much we respect and admire your courage in weighing your options. We imagine this is an emotional and sometimes overwhelming experience, and we hope you feel supported, no matter what decision you make.

Our hearts are open, and we hope to offer a child a loving home filled with encouragement, opportunities, and endless support. We hope to provide a safe and warm environment where they can grow, learn, and thrive and where they will always know they are cherished, loved, and celebrated — not only by us but perhaps also by you.

Thank you again for considering us as part of your journey. We are thinking of you and wishing you peace and comfort in the decisions ahead..

W I T H   L O V E ,

*Chris and Natalie*
